

DIY *Woodland* NURSERY CURTAINS

DIY woodland nursery curtains perfect for any nursery with the optimal balance between light filtering and blackout curtains. Simply print, cut, and sew.

INSTRUCTIONS:

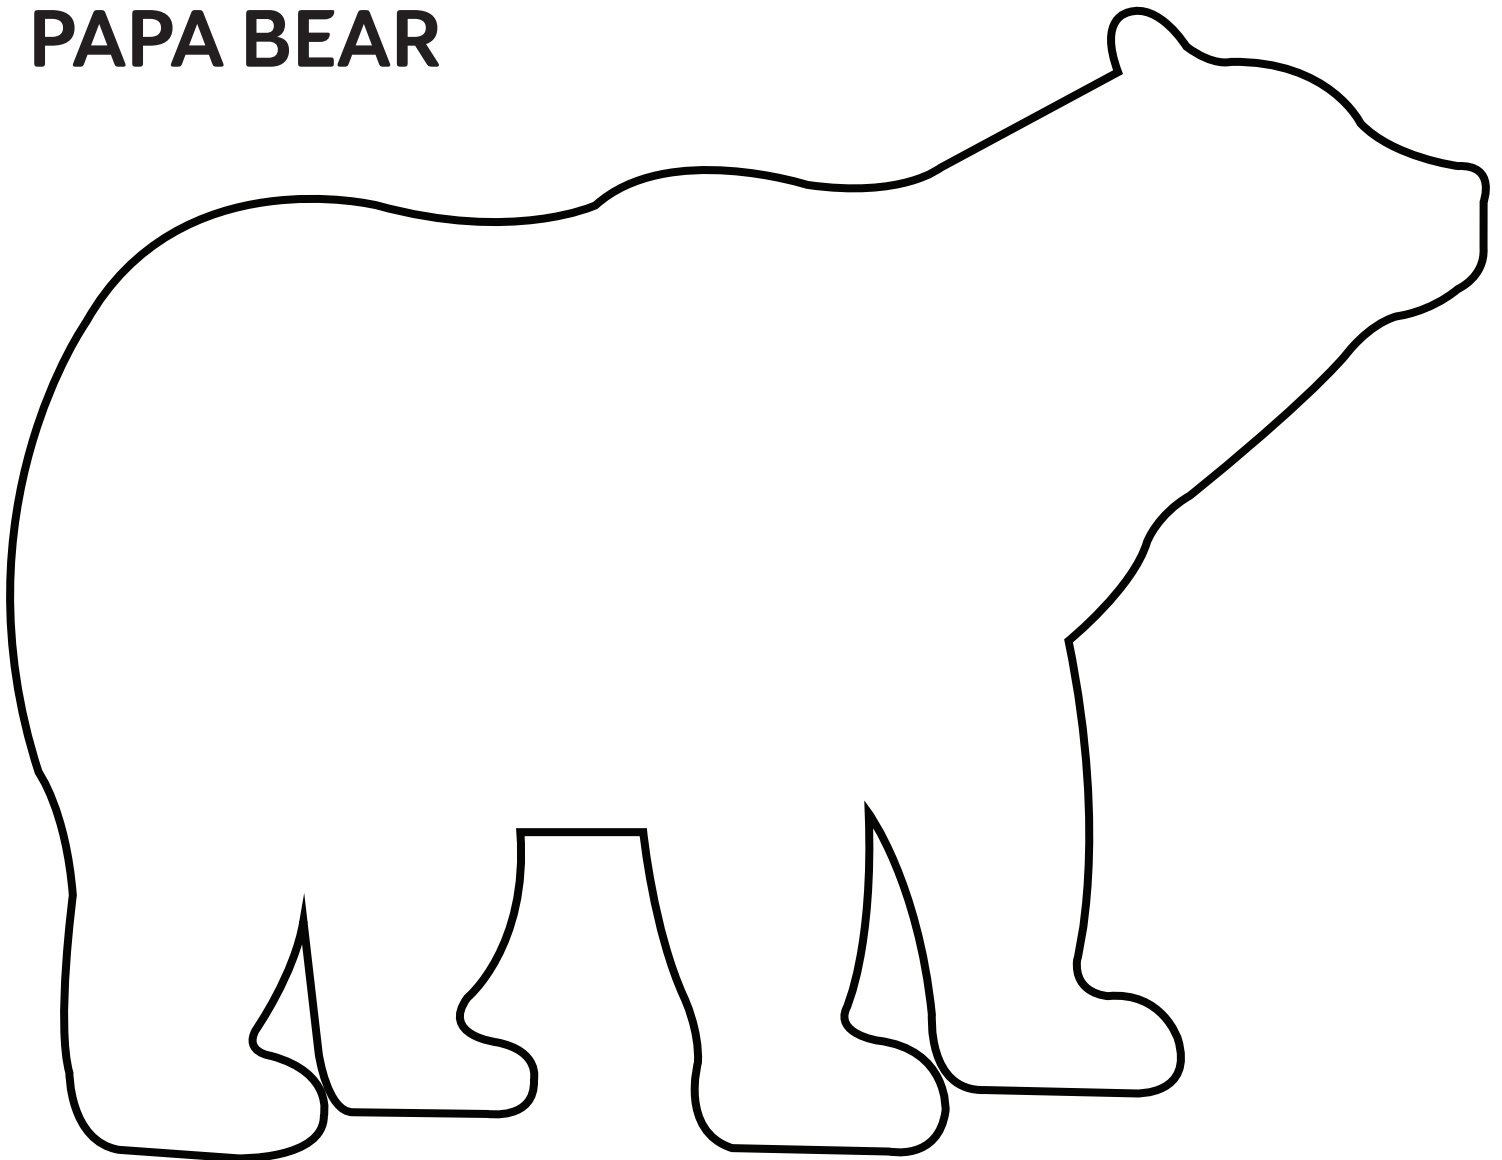

Step 1 - Cut out the pieces to use as a pattern for your fabric appliques.

Step 2 - Lay them on the excess of your main fabric and cut out one of each bear for each curtain panel.

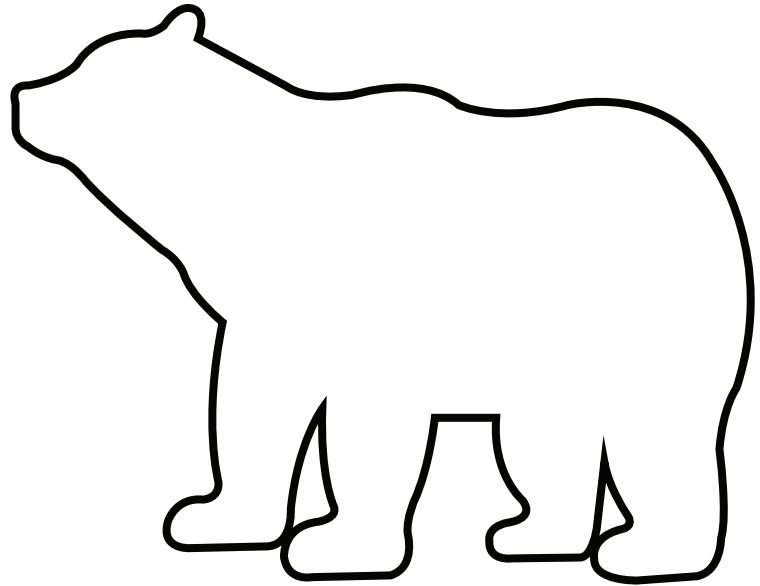

Step 3 - Pin the bears onto the drop cloth.

Step 4 - Stitch around each using the overcasting stitch on your machine.
